

Education

Ashoka University, Haryana, India	August 2022 – May 2026
B.Sc. (Hons) in Computer Science and Mathematics	
- Cumulative GPA: 3.76/4.00 - Major GPA: 3.76/4.00 - Graduated Magna Cum Laude	

Internships and Work Experience

FP Launchpad Post-Baccalaureate Fellow	July 2026–Present
I work on ways to improve the safety and correctness of satellite imaging and inference systems deployed for social good.	
Alt Carbon Intern	June 2025 –August 2025
- Conducted a meta-analysis of Machine Learning and Computer Vision applications in soil science to direct the company’s climate dataset utilization strategy. - Authored a comprehensive PRD defining the mathematical logic, data cleaning, and processing workflows for the credit calculation and verification engine.	
Raman Research Institute Research Associate	June 2024 – December 2024
- Conducted quantum computing research under the supervision of Professor Urbasi Sinha at the Quantum Information and Computing Lab (QuIC), continuing beyond the summer internship period. - Developed novel quantum algorithms incorporating Quantum Fourier Transform techniques to optimize signal processing for one-dimensional and two-dimensional datasets.	

Teaching Experience

Ashoka University Teaching Assistant	August 2025– May 2026
Delivered lectures, conducted office hours, evaluated assignments and exams, and assisted in preparing course assessments for two course: Symbolic Logic and Applications & Theory of Computation	

Awards and Honors

Bronze Medal for Academic Excellence in Computer Science and Mathematics – Ashoka University Best Undergraduate Thesis for thesis titled “Representations for Stochastic Regular Languages” – Ashoka University Excellence in Teaching Assistantship – Ashoka University
